EVIDENCE FOR ACTION MATCHING SERVICE CALL FOR PROPOSALS

Evidence for Action (E4A), a signature research program of the Robert Wood Johnson Foundation, is committed to developing the evidence base needed to build a Culture of Health. E4A encourages and supports innovative, rigorous research on the impact of programs, policies, and partnerships on health, well-being, and equity. Under the Matching Service Call we will fund a Matching Team to facilitate partnerships between organizations implementing innovative interventions in communities (e.g., health care providers, nonprofits, community-based organizations, and social service or government agencies) and researchers to rigorously evaluate the health impacts of those interventions.

WHO SHOULD APPLY

- A team of individuals from one or more organizations with complementary qualifications to carry out this work
- Applicants from all disciplines welcome, including those not in health
- U.S.-based applicant organizations

TEAM CHARACTERISTICS

- Advanced understanding of rigorous research design
- Appreciation of the nuances of conducting research in community settings
- Track-record of collaborating with a variety of organizations
- Strong understanding of population health, health equity, and social determinants
- Established connections to a robust and diverse network of researchers

GRANT

- \$700,000 over an initial 24-month period.
- At least \$200,000 to be regranted as seed funds to help facilitate partnership development.

APPLY

- Proposals due April 26 at 12pm PT/3pm ET.
